TAMOIL CoolCard

The fuel card for young drivers
under 25

TAMOIL CoolCard's benefits

- **Permanent discount on fuel**

Receive a discount of 5 centimes on every litre of gas and diesel you fill up at any TAMOIL service station in Switzerland.

- **Your loyalty is rewarded**

Every 500 litres, CHF 15.- is automatically credited to your fuel card account to thank you for your loyalty. This credit is shown on your monthly invoice.

- **No card fees, no administration fees**

TAMOIL CoolCard is free from administration costs or annual card fees. Additional cards with a personalised inscription are also free of charge (e.g. for your spouse, another vehicle etc.). You only pay for what you purchase.

- **Monthly invoicing**

Your fuel and shop purchases are invoiced monthly. The invoice contains a detailed list of all card transactions. You'll receive it within 10 working days from the end of the month. The full amount must be paid within 20 days.

- **Secure payment with PIN code**

A PIN code protects every card from misuse by a third party. Indicate your code(s) of choice on your card request or receive randomly generated codes.

- **Easy online account management**

Access numerous services through your online account on www.tamoilcard.info. Manage your cards (order additional cards, block lost cards etc.), view monthly consumption reports or consult all transactions and monthly invoices in your personal account.

Once you have received your TAMOIL CoolCard, simply sign-up for your online account on www.tamoilcard.info in order to use this service.
